Nunsense at Marion Art Center

The Marion Art Center's summer musical, "Nunsense," will open on Thursday, July 1 at 8:00 pm. The show will run July 2, 3, 15, 16 and 17. This hilarious international musical hit is winner of four Outer Critics Circle awards including Best Off-Broadway Musical.

The show focuses on a fund-raiser put on by the Little Sisters of Hoboken to raise money to bury sisters accidentally poisoned by the convent cook, Sister Julia (Child of God). The cast includes Sister Mary Regina, the Mother Superior, played by Anne Schenck, a quick-witted soul, outrageous and outgoing; Sister Mary Hubert, played by Eileen Caron, is kind and understanding but likes to kick up her heels; Sister Robert Anne, played by Sheila Furtado, is a tough, streetwise nun with a heart of gold; Sister Mary Amnesia, played by Judith Coykendall, can't remember her past, so looks at each new day with childlike joy; Sister Mary Leo, played by Alyssa Chase, was a professional dancer before entering the convent and eagerly displays her talent. Paul Sardinha is the director, the designer, choreographer, and "the band."

The antics of the five nuns include skits, songs, jokes, and interaction with the audience. The show is well-suited to the intimate theater of the Marion Art Center. Reservations for seating are recommended. Tables may be reserved for parties of four or more. Refreshments will be available. Tickets are \$12.50 for MAC member, \$15 for non-members and reservations are recommended and can be made by calling 748-1266.

Mattapoisett Selectmen's Meeting

June 29, 1999

By Kenneth J. Souza

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, June 29 at 7:03 pm by Chairman Paul E. Lambalot. Also present were Selectman Barry Denham, Selectman Raymond Andrews, and Executive Secretary Carol Adams.

After unanimously approving the minutes of the June 15 meeting, Chairman Lambalot noted that this was the first meeting at which they were using the newly-purchased and installed permanent two-camera system in the Town Hall Conference Room.

"We're taping this for later broadcast on MediaOne, but eventually we'll be televising our meetings live," he said. He also added that a dedicated channel (98) on MediaOne will be devoted to televising Mattapoisett meetings and listing upcoming events via a character-generated bulletin board.

The board then considered a recommendation from Fire Chief Ronald Scott to appoint Paul Hoey of Philips Road in New Bedford to the Mattapoisett Fire Department. Selectman Denham wanted to know if it was standard policy to appoint non-residents to the Fire Department. Ms. Adams said that Mr. Hoey works in Mattapoisett during the day and would be useful during the time the department is most short-handed. The board unanimously appointed Mr. Hoey to the Fire Department for a term to expire on April 30, 2000.

Chairman Lambalot advised that the board met with the Finance Committee (FinCom) and Town Accountant prior to 7:00 pm to discuss how the town will deal with the Old Colony Regional Vocational Technical High School budget override. The measure was defeated by voters at the last Special Town Election, but four of the

five towns within the district approved the funding, thereby forcing Mattapoisett to contribute their approximately \$49,000 share.

"I was quite surprised that it didn't pass," Chairman Lambalot said. "If it's not approved as an appropriation, it will be a \$50,000 shortfall in our budget."

Chairman Lambalot said the FinCom and Town Accountant agreed with the board to revisit the issue at the next Special Town Meeting which will likely occur in November.

At 7:00 pm the board opened a hearing upon a request from Com/Electric to install a proposed conduit location on Ned's Point Road across from the new pumping station near the Mattapoisett Boatyard. The project will sink a four-inch PVC pipe underground to provide the service. With no opposition present, the board unanimously voted to grant the request.

Under incoming correspondence for the week, the board received a request from Brendan C. MacDonald for permission to obtain a one-day liquor license for a cookout at Ned's Point (Veterans Park) from 2:00 to 6:00 pm on Saturday, July 17. Mr. MacDonald said he expects about 100 guests at the event and he will be hiring a folk band to provide entertainment for two hours.

Though the board agreed that they didn't want to limit access to the town's public facilities, there were several concerns that needed to be addressed. First, Ms. Adams advised that she consulted with Town Counsel, and they need to make sure that insurance coverage is in place and that the town is not liable for any mishaps. It was also noted that Harbor Days is taking place that same weekend, and traditionally there are tours running from the Mattapoisett Historical Museum to the Ned's Point

"I get a little concerned about overburdening Veterans Park and Shipyard Park," Selectman Andrews said. "I have concerns about this particular weekend ... I would not be in favor of it."

"These facilities are being used more and more," Selectman Denham agreed, "and the town is responsible for maintenance. We're going to have to set up a policy for the use of these parks in the future."

Ms. Adams also noted that they have received many requests for use of the parks for wedding receptions, but that would require additional services like bathroom facilities, utilities (water and electricity) and

Jay Gould, DVM

WILD BABY BIRDS

I found a baby bird on the ground. What should I feed it?

Baby birds are frequently found near their nests. If the bird has no feathers, try to find the nest and put the bird back. If the bird is mobile and feathered, keep dogs and cats away from the area and the mother bird will probably feed and care for it.

I thought that if I touched the bird the mother bird would smell my scent and would reject the baby. That's an old wives' tale as birds have poor senses of smell. Allowing the mother to raise the young increases their chances of survival.

clean-up — all of which costs the town money. "If you're going to allow wedding receptions, I think you need to establish a fee for use of (these facilities)," she said.

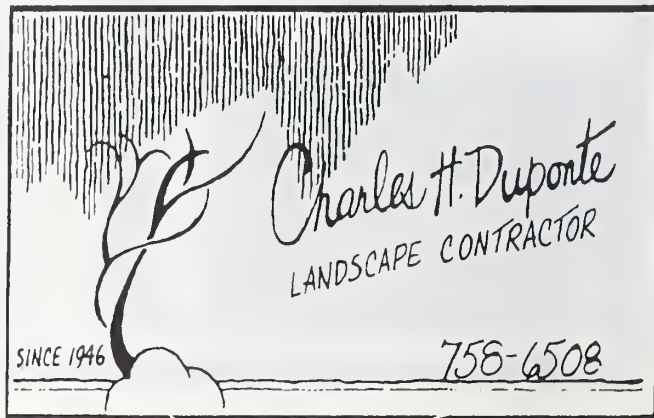

The board agreed to work on a policy and procedural plan for the future use of public sites and also asked Ms. Adams to contact Mr. MacDonald regarding the conflict with Harbor Days weekend.

The board next received a letter from Jim Doherty, Chairman of the Marine Advisory Board (MAB), recommending that the board exercise its right to revoke the aquaculture license currently held by Taylor Seafood of Mattapoisett, Inc. due to lack of compliance under the stipulations of their agreement with the town.

"Mr. Taylor has not, in good faith, abided by his agreement with the town under the license," Selectman Andrews said. "I went out with (Harbormaster) Steve Mach and looked at the site ... it's not properly buoyed and he hasn't properly identified his scallop field. It's a navigational hazard and he hasn't cooperated with the Harbormaster or Marine Advisory Board."

Selectman Andrews noted that the MAB sent three certified letters to Mr. Taylor before he replied, and Mr. Mach's attempts to contact him have gone unanswered.

The board agreed to begin the process by notifying Mr. Taylor of a public hearing and he then has 30 days to respond before they vote to revoke his license if he doesn't comply with the town's requests. Public input

on the matter will also be invited during the hearing.

In other matters, the board:

- Received a letter from Randall H. Kunz of Water Street offering to serve on the Finance Committee (FinCom) when an opening becomes available.
- Met with and unanimously approved the appointment of Alan Apperson to the Conservation Commission (ConCom) upon a recommendation from the ConCom and Chairman John DeMello.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 7:45 pm. Their next scheduled meeting will be held on Tuesday, July 13 at 7:00 pm.

Rochester Selectmen's Meeting

June 28, 1999

By Kenneth J. Souza

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, June 28 at 7:00 pm by Chairman Richard Cutler. Also present were Selectman Naida Parker, Selectman Patricia Ryan, Executive Secretary James Huntoon, and Administrative Assistant Veronica Lafreniere.

After unanimously approving the minutes of the June 21 meeting, Mr. Huntoon updated the board on the status of the Mary's Pond Beach property. "As of Friday, June 25 at 1:20 pm, a deed was recorded ... releasing the property to the Town of Rochester," Mr. Huntoon said. "The biggest part of the beach property is owned by the Balzarini family, but we've been deeded the strip along the water. As of this morning, 'no trespassing' signs have been posted per order of the Board of Selectmen ... and we've ordered parking stickers — ones which say 'Mary's Pond Residents Only,' and the others for fishermen."

Selectman Ryan stressed that as soon as the parking stickers are available, the Police Department should begin ticketing those vehicles which do not display a sticker. The posted signs are also necessary, she said, to absolve the town of any potential liability should someone get injured.

"We have the Fourth of July holiday (weekend) coming up, and I really feel we need to have (the police)

go down there every half-hour or so to move people out," Selectman Ryan said.

"It's going to be a summer of discontent, because people are used to using the beach area," Mr. Huntoon said. "I'm almost concerned that if we start limiting use, it will get people's backs up."

"Since people are used to using the beach area, I think we should take a firm but gentle approach," Chairman Cutler added. "We don't need to ticket the hell out of people. If we can get our message across without (ticking) people off, I think we'd be better off."

Both Selectman Ryan and resident Georgia Chamberlain were also concerned that people often take their dogs into the pond or let them run free without a leash.

"I took a ride down there this weekend and I saw two ladies in the water with their dogs," Selectman Ryan said.

"Don't forget that water feeds cranberry bogs, too," Ms. Chamberlain added. "We are growing a product for human consumption."

Mr. Huntoon said he would take this matter up with the Board of Health and/or Regional Sanitarian Karen Walega. "We're on new ground here," Mr. Huntoon said, "and I hope everyone will be patient."

At 7:30 pm the board met with Susan Adams and Martha Wright of the Rochester Historic District Study Committee to present a token of appreciation to the board

and Town Hall staff for their assistance in helping to get the Historic District By-Law approved. Ms. Adams presented the board with a painting of the town center, encompassing the newly-established historic district. The painting was done by Ms. Adams' sister as a gift to the Town Hall.

Ms. Adams then wanted to know what their next step was, since the purpose of the Historic District Study Committee has been accomplished.

"Officially, your committee is still in existence until we hear from the Attorney General's office," Chairman Cutler said, referring to pending approval of the recent Town Meeting vote from the state. "But we have one more task to ask of you ... to see if you can scour the town and suggest some appointees to the permanent (Historic District) committee."

Ms. Adams agreed, and cited the make-up of the seven-member committee as per the stipulations in the by-law: three members who reside within the district; one representative architect; one representative realtor; one representative of the Historic Commission; and one member at-large. There can also be two alternate members (at-large) appointed to the Historic District Committee under state law. Interested residents who meet the criteria should contact the Board of Selectmen, c/o Rochester Town Hall, 1 Constitution Way, Rochester, MA 02770.

At 7:45 pm the board met with Jack Ayers of the Rochester Police/Communications Building Study Committee to, likewise, decide on their future plan of attack. First off, Mr. Ayers wanted to thank all the town residents and officials who helped get the funding for the new Police/Communications Building approved at the recent Town Meeting and Special Town Election. He now wanted to know about appointing a Building Committee for the project.

"I think it's important that the Building Committee be able to move quickly, so it should be small," Chairman Cutler said. "I'd suggest the three members of the Board of Selectmen, the Police Chief, the Chief Dispatcher, and one person with technical expertise from the Study Committee. I realize there are a lot of people who have worked on the Study Committee who would like to see it through to the end ... but I'd like to keep it to seven members."

Selectman Parker agreed that the so-called Building Committee should be responsible for both the design and construction of the facility in order to maintain a continuity between the planning and development of the structure.

"I think for a project this big, you should have all three Selectmen ... and the committee should be either five or seven members," Selectman Ryan agreed.

The board asked Mr. Ayers to convene one more meeting of the Study Committee for the purpose of selecting one representative with technical expertise to serve on the final Building Committee for the Police/Communications project. They hope to make that appointment by the end of July, with a long-term projection of starting construction in March of 2000.

Selectman Parker also noted that the meetings of the Building Committee would be public, so any residents and former members of the Study Committee could attend and offer their input.

Happy 4th of July!

The board met briefly with Town Accountant Claudette Coutu regarding the planned purchase of an air conditioning unit for the Town Hall Conference Room and a new voice mail telephone system. Ms. Coutu said there is \$10,565 available in the "Town Hall Building Improvements" account, but with the air conditioning system costing just over \$6,000 and the voice mail system estimated at just under \$5,000, they will have to make up the difference from another Town Hall line item.

"We have funding available ... but it will be coming from general Town Hall expenses," Ms. Coutu said. The board unanimously approved the purchase of both the air conditioning unit and voice mail system from available funding.

In other matters, the board also signed and approved:

- Payment of an invoice in the amount of \$3,276.81 to Town Counsels Perry, Hicks, Crotty and Mitchell;
- Employee Action Forms, with the exception of an Assistant Treasurer's position pending approval from the state Attorney General's office;
- Release of property located at 54 High Street from Chapter 61A which the town did not exercise its option to purchase.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:45 pm.

Mattapoisett Tennis Association

The current goal of the **Mattapoisett Tennis Association, Inc.** is to bring the four town tennis courts in Mattapoisett on Hammond Street up to United States Tennis Association (USTA) standards. The necessary improvements would be made by private donations, appropriated town funds, and volunteer labor. Monetary grants from the USTA for tennis programs are available if the courts meet these standards.

Upon completion of the improvements to the courts, the association would offer and coordinate recreational programs for tennis players of all ages. These might include group lessons, clinics, teams, leagues, and tournaments. Improved courts would also insure that Old Rochester Regional High School tennis teams have acceptable home courts.

This ambitious project cannot succeed without community support. Contributions are tax-deductible and should be sent to: MCTA, c/o Carleton Burr, Treasurer; 27 Ned's Point Road; Mattapoisett, MA 02739. For more

Letter to the Editor

To the Editor:

Attending Marion's candidate's night last April, I listened to the candidates and thought they were all running for a position on the Planning Board. Some, of course, were candidates for the Planning Board. "Control residential growth" was the operational phrase that night and the candidates, if elected, were going to work to control growth. As the current chairman of the Planning Board, I would like to bring the residents of Marion up-to-date on what your members are doing to control growth.

In response to the citizens' wishes, in 1997 the board began an initiative to identify methods to control residential growth. Members recognized that uncontrolled growth could overburden the town's infrastructure resulting in large expenditure of funds over a short time period to remedy this problem. The members recognized the control of the rate of growth would allow for a systematic and cost-effective plan for expanding the infrastructure. The members also recognized that a cap on the total number of residential houses is required to maintain the small town character and minimize uncontrollable changes due to growth, e.g. the widening of Route 105.

In 1998, the members held two public meetings to sample citizens' opinions. Results showed the citizens wanted the rate of growth controlled and a cap on the total number of homes to be built. These opinions agreed with the members' conclusions.

Subsequent to this year's town election, the members agreed to hold a Special Town Meeting this fall to present by-laws for residential growth control. The members prepared a list of items for the Special Town Meeting, prioritized them, and prepared a schedule for each item. It was decided to divide the items into groups and plan for additional Special Town Meetings over the next two to three years. The most crucial issues are scheduled for this year, and they are: (1) residential zoning, (2) residential zoning boundaries, (3) frontage and setbacks, (4) abandoned ways, and (5) apartments. Subsequent meetings will consider (1) reformatting the by-laws and subdivision rules and regulations, (2) cluster zoning, (3) velocity

The Cultural Council will again be reviewing applications for grants this fall. If you have any questions or are interested in the process, please call Chairman Lois Murray (758-4949). TWO FINANCIAL ASSETS

Owning a home is like having two financial instruments that make money for you every day, every month, and every year. One of these money makers is the appreciation in the resale value of the home. This rate of increase is always more than the inflation rate. In addition to price appreciation, you also enjoy the buildup of equity. Equity is the part of your mortgage payment that goes toward reducing the loan amount. When you sell the house, you collect your equity in cash.

The main difference be-

tween the two is that you only cash in on the price appreciation when you sell your home, but the equity is actually a form of savings that can be used as loan collateral. For instance, you can use a home-equity loan to borrow with considerable financial leverage. After you've built up enough equity in your property, you can arrange loans of thousands of dollars to finance a college education, vacation or some other important expense.

exhibition by marine artist Scott Kennedy from July 2 through 28. There will be a reception to meet the artist on Friday, July 2 from 5:00 to 7:00 pm. Scott Kennedy's pursuit of marine art began as a youth, growing up in Newport Beach, CA. At the age of 13, his talent and unique style were recognized and encouraged by famed naval artist Arthur Beaumont.

After studying art at Bellas Artes de Mexico in San Miguel de Allende, Mr. Kennedy traveled to Denmark in search of a traditional wooden boat to restore. He and his wife Karen (of Mattapoisett) lived on the Danish Kutter *Svanen* for ten years. During that time, Mr. Kennedy pursued his work in pen and ink and engraving of the waterways and architecture of northern Europe. He counts Albrecht Durer and the Van de Veldes as strong influences on his work.

Mr. Kennedy returned to America and has chronicled three America's Cup races on location in San Diego and Western Australia. He has been the official artist for the Newport to Ensenada Race, the world's largest international yacht race, seven times. The shows of his works have achieved much acclaim.

Mr. Kennedy prefers to work on location, where the magic of light, water and wind keep the work fresh. "Waking up each morning to a new sky and sea, and ever-changing craft afloat hold my fascination with the challenge of capturing the environment. My favorite subjects are elegant racing craft of any vintage, traditional

vessels, and workboats. In some of my work there is a trace of whimsy." He recently spent time in Mattapoisett and recorded images of the SouthCoast including a pen and ink drawing of the schooner *Ernestina* at Kelley's Shipyard in Fairhaven.

When not on the water, Mr. Kennedy can be found at his studio in Newport Beach. He has had several one-man shows and his work hangs in the permanent collections of maritime museums in Germany, Holland, and the United States. He is represented by the J. Russell Jinishian Gallery in Fairfield, CT; the Peninsula Gallery in Sydney, BC; and the Graphics Gallery in Newport Beach, CA. His commissions include publications: *Sail Magazine*, *Wooden Boat*, and *Gloucester Adventure*, to mention a few.

Book Sale in Mattapoisett

The Friends of the Mattapoisett Public Library are sponsoring a Book Sale on Thursday, July 15 under the tent at Shipyard Park on Water Street from 10:00 am until 7:00 pm. Donations of new and used hardcover and paperback books in good condition and books on tape may be left at the following businesses (all located on Route 6): Techline Design Home (formerly Stor-ganizers / Techline Studio), Seaport Village Ice Cream Shoppe, and Plymouth Savings Bank. Please do not leave textbooks, encyclopedias, magazines or music items.

On the day of the sale, there will be an opportunity to purchase or renew subscriptions to YANKEE magazine. Each subscription under the Community Partners Plan will bring a \$10 donation to the Friends of the Mattapoisett Public Library. Also on that day, Janet Collins of the Ice Cream Slip will donate a portion of her sales to the Friends, and Mattapoisett's new bookstore, Book 'N' Board, will purchase the surplus at the close of the sale.

So come on down and purchase your summertime reading, YANKEE for yourself, gifts for others, and enjoy an ice cream on the wharf.

The Friends of the Mattapoisett Public Library would like to thank the businesses and the Mattapoisett Lions Club who have so graciously agreed to help us in our first town-wide fund-raiser. The group has already purchased several items for the library that are not included in the town budget, has funded the summertime children's programs, and sponsored two adult programs in the first year of operation. New members are always welcome. Application forms are available at the library or

Mattapoisett Super Troop

Junior Troop 99 of the Girl Scouts of the United States of America of Mattapoisett was notified on June 23 that it has been awarded Super Troop status by the Plymouth Bay Council. Super Troop is an award given this year to only 23 troops out of 1,000 in the council which covers most of Southeastern Massachusetts.

To earn this award, a troop must have shown extraordinary commitment to a variety of Girl Scout programs. This year, in addition to regular meetings, badge work, and camping, Troop 99 earned a Green Ribbon for service to local Girl Scout camps, walked the Freedom Trail, participated in Science at Sea at the New England Aquarium, held a badge day for younger Brownie Girl Scouts, went white water rafting and participated in several local Girl Scout and community events.

Plymouth Bay Girl Scout Council is based in Middleboro and serves 16,000 girls in Southeastern Massachusetts. It is the second largest organization in the state serving youth. Troop 99 has 20 registered girls from Mattapoisett in fourth through sixth grades. The troop is led by Donna Bernier and Pat Davis.

St. Joseph's Golf Tournament

Saint Joseph's School in Fairhaven will be holding its Second Annual Golf Tournament on Saturday, August 7 at the Lakeville Country Club, 44 Clear Pond Road in Lakeville. Beginning tee time is 11:00 am. Sign up as singles, doubles, or foursomes. Price is \$75 per person, which includes greens fees, carts and a great hot and cold buffet served after golf. If you do not play golf and would like to join the fun, buffet tickets are also available for \$15 per person.

Saint Joseph's School — like most small schools — is trying to find alternative means to raise funds to offset increasing operational and educational expenses. The school relies on tuition, donations and fund-raising sources ... they do not receive any other funding. The Golf Tournament seems to be a fun way of helping to achieve their financial goal.

If you would like to sponsor Saint Joseph's School or would like to play (or both), please send your tax-deductible donation to: Saint Joseph's School, Golf Tournament, 100 Spring Street, Fairhaven, MA 02719. For

sponsored by the Office of Tourism. "This year the parade would have conflicted with church services in the town if we held it on the Fourth of July," said Tourism Director Christopher J. Richard. Once again, a select group of antique and classic autos will join the parade. A color guard will be provided by American Legion Post 166. The parade will be followed by the firing of the five Seacoast Defense cannons at Fort Phoenix.

At 9:00 am adults and children dressed as their favorite characters from any period in U.S. history will gather at the Spring Street entrance of Cushman Park for the parade. Everyone in town is invited to wear costumes for the march to Fort Phoenix. No advance registration is required. Step-off time is set for 9:30 am.

The parade will take a route south on William Street to Center Street, east on Center Street to Green Street, and south on Green Street to Fort Phoenix. At approximately 10:30 am, the Independence Celebration will be held at the historic fort. After a welcome and brief history of Fort Phoenix presented by Tourism Director Christopher J. Richard, excerpts from the Declaration of Independence will be read by Bryan Wood, Chairman of the Board of Selectmen. Natalie S. Hemingway will then lead the crowd in the singing of the National Anthem as the flag is raised. As a finale, under the command of Earl Faunce and Wayne Oliveira, all five of the large Civil War era Seacoast cannons will be loaded and fired over the harbor.

Family Values

BY ROB GONSALVES
local@wanderer.com

■ **The Winslow Boy.** Starring Nigel Hawthorne and Rebecca Pidgeon. Directed by David Mamet. Running time: 110 minutes. MPAA rating: G. At Cinema 140 in New Bedford.

A refined, subtle, and sophisticated drama like *The Winslow Boy* represents everything that's sorely missing from our culture, so I wish I could rise to it. Adapting a 1947 play by Terence Rattigan, which in turn was based on actual events, writer-director David Mamet handles each scene as if placing a fine China cup delicately onto a shelf. An apt analogy: Mamet is essentially a butler to the material. In the past, Mamet has specialized in macho intellectual gamesmanship peppered with profanity; lately, he has chosen more artful projects, like *The Spanish Prisoner*, a precise and sterile Hitchcockian piece, and now this seemingly atypical period piece.

You may want to applaud Mamet's iron grip on his storytelling. Technically, this is an elegant piece of work. Yet some of us prefer Mamet the scrappy, surly poet of obscenity, whose *American Buffalo* and *Glengarry Glen Ross* burst out all over with the desperation of defeated men. Perhaps that stage of his career is gone; when Mamet turned his hand to film directing, he also turned into a neat freak. Nobody is likely to be much offended by the (literally) G-rated *Winslow Boy*; no one is likely to be very excited, either. It's as if Mamet thought that cinema existed only to preserve a performance. *The Winslow Boy* is terribly staid, and I don't feel that it gains anything from having been filmed.

The story, set in 1912, is simple. An English boy of 14, Ronnie Arthur Winslow (Matthew Pidgeon), has been booted out of the Royal Naval Academy. Reason? He is accused of forging and cashing a postal order. Ronnie's well-to-do family automatically assumes he couldn't have done it. His elderly father (Nigel Hawthorne) spares no expense in the boy's defense — it's as if it were the crime of the century and the Winslow name would be forever tainted by scandal. Ironically, it's the father's very indignance and perseverance that ensure the case's notoriety; the whole affair becomes a sort of turn-of-the-century O.J. trial, a media bonanza sparking parodies and merchandise, and everyone gets sick of hearing about it. If the father had kept his

mouth shut, no one would have known about it.

The Winslow Boy is really only marginally about the matter of the boy's accusation and possible exoneration. It focuses more on his family, including his older sister Katherine (Rebecca Pidgeon, who is the director's wife), a suffragette who toys with a ticklish and combative (if poorly developed) rapport with the boy's legendary attorney, Sir Robert Morton (Jeremy Northam). The movie doesn't give us a rousing courtroom finale; everything happens offscreen — or, I should say, offstage. Occasionally, characters will also move away from our earshot and whisper something to conceal it from us, further underlining the movie's theatrical origins. Film is an intimate medium capable of picking up the softest whisper, and here's Mamet taking his characters across the room so we can't hear them. The filmmaking seems to be stuck in 1912, too.

Mamet's intentions are fine and noble, except for one major problem: I didn't particularly care about any of the characters, so it disappointed me as a character study. The starchy repression of turn-of-the-century, upper-class Brits must have appealed to Mamet; he must've admired their reserve. Unfortunately, as a filmmaker he shares their starchiness; he doesn't even have a very strong visual sense (he never has). *The Winslow Boy* is like a perfectly typed term paper on a subject you're not especially interested in; you can give it an A for neatness of presentation, but none of it stays with you. Mamet is getting so austere and rigorous that he drains all the life out of his art. *The Winslow Boy* is handsome and sturdy and hollow — an empty armoire of a movie.

This Week's Horoscope

by Linda Black

Weekly Tip: The sun is in Cancer, excellent for managing both time and money. Jupiter goes into Taurus soon, which should make that more fun, since there will be financial abundance in the coming months.

Aries (March 21-April 19). The moon in Capricorn helps you advance in your career if you can pass the test. You'll work well with a group.

Taurus (April 20-May 20). If you have siblings, your relationships with them could be stimulated. Do something fun together. Travel and relationships with foreigners look good.

Gemini (May 21-June 21). Jupiter goes into Taurus, which may help you figure out your financial situation and maximize your potential.

Cancer (June 22-July 22). The spotlight is on you, but the good luck comes from a friend. A partner will be important. Consult another person before making a decision that will affect you both.

Leo (July 23-Aug. 22). You may feel attacked, as you remember something that you should have already done. If an older person reminds you, don't feel threatened. Feel supported.

Virgo (Aug. 23-Sept. 22). There may be a conflict between group activities and private time you want to spend with someone you love.

Libra (Sept. 23-Oct. 23). You may feel like you're trying to juggle home and career-related matters. Buy something you've wanted for you home, and that could help.

Scorpio (Oct. 24-Nov. 21). You could discover something interesting by talking to a woman who is either far away, or from a different country.

Sagittarius (Nov. 22-Dec. 21). Stash your money in a safe place, and that's advised even if you want to spend it. These are good days to learn about deals and making your money grow.

Capricorn (Dec. 22-Jan. 19). Your luck in love improves. A partnership that seemed hostile at first may turn out to be pleasant.

Aquarius (Jan. 20-Feb. 18). Pay attention to what others need. That might not be easy, but it'll earn you points, and maybe even extra money.

Pisces (Feb. 19-March 20). Romance looks best if done first; save the business meeting for later. Others could create a mess.

If You're Having a Birthday This Week: The spotlight is on you. There could be money coming in, some sort of a legacy, perhaps.

Nativity Sale in Marion

St. Rita's Church in Marion is holding its second annual Nativity Sale from Friday, July 2 through Sunday, July 11. Through the courtesy of the Sippican Historical Society, the sale will be held in the former pharmacy on Front Street, diagonally across from the Marion Post Office (look for the nativity flag in front).

Featured will be both traditional and folk art nativity scenes and ornaments from over 20 countries such as Australia, Ireland, Peru, Mexico, the Philippines, and Guatemala — beautiful, hand-quilted representations of the nativity on table runners, tree skirts, stockings and bed quilts; and several sizes of stables and mangers. The expanded children's nativity line has books, coloring books and crayons, puzzles, advent calendars, stickers, rubber stamps, and special children's creches.

New this year are nativity flags: one of a kind collectibles depicting the nativity. Also featured will be plates, bells, ornaments, figurines, and wall hangings from Waterford, Avon, Pickard, Hummel, Limoges, Porsgrund, Hallmark, and others; kits and directions for

<p>TOWN OF ROCHESTER BOARD OF APPEALS</p> <p>#715 Notice is hereby given that the Rochester Board of Appeals will conduct a public hearing on the petition of Melinda MacLeod, Liberal Texeira owner, for a special permit under section VIII.D.6 of protective by-laws to allow business in the agricultural/residential district. Property is located at 368 North Avenue, Assessors plan 43 lot 14. Public hearing will be conducted on Thursday, July 22, 1999 at 7:00 pm in the Cafetorium of the Rochester Memorial School, Pine Street. Chapter 91 Waterways License Application Number W96-7170 Donald P. Francis Notification Date: July 7, 1999</p> <p>Public notice is hereby given of the application of Donald P. Francis to license and maintain an existing seawall and groins at 26 Shore Drive, in the municipality of Mattapoisett, in and over the waters of Buzzards Bay. The proposed use of the structure is shoreline stabilization for the protection of existing structures and is a water-dependent project.</p> <p>The Department will consider all written comments submitted within 30 days subsequent to the "Notification Date" in order to decide whether to grant authorization for the proposed activity pursuant to G.L. Chapter 91. A public hearing may be held upon written request by a municipal official. Furthermore, a municipality, ten citizen group or any aggrieved person that has submitted written comments may also petition to intervene to become a party before the close of the comment period. Failure to submit such petition will result in the waiver of any right to an adjudicatory hearing. Further information regarding this application may be obtained by contacting the Division at (508) 946-2734. Plans and documents for this application are on file with the Department for public viewing at the address below. Written comments should be addressed to Mitch Ziencina, Environmental Analyst, DEP/Wetlands & Waterways Programs, 20 Riverside Drive, Lakeville, MA 02347. <p>PUBLIC NOTICE MATTAPoisETT PLANNING BOARD</p> <p>The Mattapoisett Planning Board is seeking interested individuals for appointment to the Economic Development / Commerce Study Committee. We are seeking individuals with an interest in expanding business opportunities in town, and to help us in our efforts to create a permanent commission and establish a formal public/private business partnership. Length of service on the committee is expected to be six months to one year. Additional information can be obtained by calling the Planning Board office at 758-4107 or Bob Rogers at 758-2028 (evenings) or (508) 822-6934 (days). Interested people should send letters to the Planning Board, P.O. Box 435, Mattapoisett, MA 02739 or stop in at one of our bi-monthly meetings. 7/1, 7/15, 7/22, 7/29</p>		<p data-bbox="1040 550 1411 707">These terms were devised by cartoonist Glenn Loucks for the clever comic strip he draws called "Milinipiti" (a combo of "millennium" and "serendipity," pronounced "mill-in-IP-ih-tee").</p> <p data-bbox="1040 707 1411 913">Admittedly, the "Zips vs. Aces" face-off can't match the marquee value of other famous feuds of the past millennium: Lancasters vs. Yorks, Yanks vs. Rebs, Shirts vs. Skins, "Less Filling" vs. "Tastes Great." But it does raise some nifty issues of nomenclature.</p>
<p>TOWN OF MATTAPoisETT CONSERVATION COMMISSION NOTICE OF PUBLIC HEARING</p> <p>The Mattapoisett Conservation Commission will hold a public hearing on Monday, July 12, 1999 at 7:30pm in the Town Hall on the Request for a Notice of Intent submitted by Kenneth Yorkel of 94 Fairhaven Road, in Mattapoisett.</p> <p>The proposed project is to construct a new septic system to replace a failed cesspool type system servicing an existing dwelling.</p> <p>The project is located at 94 Fairhaven in Mattapoisett, MA and is further identified as Lot 48, Map 123. Mattapoisett Conservation Commission 07/01</p>		<p data-bbox="1040 913 1411 1109">As you know, the Christian calendar, unlike a person's life, does not have a year zero. The 12 months immediately following Christ's birth, including events like the Three Kings' visit, Joseph and Mary's flight to Egypt and January white sales, all occurred in the year one, not zero.</p> <p data-bbox="1040 1109 1411 1236">(Of course, 2,000 years ago, no one was using the Christian calendar; to most folks in the world, it was "the year George killed the big bear" or something like that.)</p>
		<p data-bbox="1040 1236 1411 1442">Anyway, the lack of a year zero means that a full hundred years after Christ's birth had not elapsed until Jan. 1, 101, and 2,000 years will not have elapsed until Jan. 1, 2001. (I've been waiting six years to use the future perfect tense in my column, and there it is — "will not have elapsed!")</p> <p data-bbox="1040 1442 1411 1540">So, according to the fussy, pedantic Aces, the 21st century and the third millennium will not begin until Jan. 1, 2001.</p> <p data-bbox="1040 1540 1411 1697">But the down-to-earth, common-sense Zips say, "Gimme a break! When Jan. 1, 2000 rolls around, the odometer will turn over from 1999 to 2000. That's good enough for us. Let's party!</p> <p data-bbox="1040 1697 1411 1775">All this makes 11:59 p.m., Dec. 31, 1999, quite literally, a defining moment.</p> <p data-bbox="1040 1775 1411 1854">So, brothers and sisters, which side are you on? Will you be partying with the Zips or pouting with the Aces?</p>
